

Year 2 Curriculum Overview - Spring term 2

Our topic this term is: **The Farm Shop**

English

In English, we will be focusing on narratives. We will read The Farmer Duck story and innovate part of the narrative with a farm setting.

Furthermore, we will also be focusing on persuasive texts. We will be gathering information about farms and using lots of persuasive features to create a leaflet of our own and persuading members of the public to visit the farm.

We will have the opportunity to hand out our leaflets in school.

Maths

In Maths, we will be focusing on shape. This will consist of identifying faces, edges and vertices on 2D and 3D shapes. We will then move on to fractions. We will learn how to identify equal parts of a shape and equal groups of an amount.

Theme

In Theme, our topic is about plants. We will be learning about the life cycle of a plant and what a plant needs to grow and stay healthy. We will also be observing and describing how seeds and bulbs grow into mature plants.

Within Computing, we will be looking at how to handle data by using a simple software to produce tables, charts or graphs. Following on from this, we will be interpreting the graphs, discussing the information contained and answering simple questions.

In Design and Technology, we will be focusing on food and looking at where food comes as well as designing products for themselves and other users.

Within Art, we will be focusing patterns and block printing.
