

### **Primary PE and Sports Premium (PPSP) - Evaluation for 2021-22**

The Primary PE and Sports Premium (PPSP) is provided to schools by the Department for Education in order to fund additional and sustainable improvements to the provision of PE and sport, for the benefit of primary-aged pupils and to encourage the development of healthy, active lifestyles.

In 2021-2022 we received the Primary PE and Sports Premium (PPSP) funding as follows:

<b>Primary PE and Sports Premium (PPSP) Awarded</b>	
<b>Number of pupils on roll</b>	420
<b>Amount of PPSP received 2021-22</b>	£19,570.00
<b>Amount carried over from previous year 2020-21</b>	£5479.00
<b>Total to spend</b>	£25,049.00

Record of PPSP expenditure by initiative/project for 2021/22				Evaluation
Item/Project	How much?	Impact on sports participation/ attainment	How we will ensure sustainability?	
Blackburn Rovers Primary Education Programme (BRPEP)	£10, 000	<p>1:1 coaching CPD for teaching and support staff to further enhance their confidence in the delivery of PE.</p> <p>Enhanced opportunities for pupils to access sporting opportunities through extra-curricular clubs at lunchtimes and at the end of the day (after school).</p>	<p>External training provided and modelled to have a long term impact on teachers' knowledge and skills.</p> <p>Additional enrichment activities to increase pupils motivation to engage in sporting opportunities.</p>	<p>Use of the BRPEP was extremely successful this year. Our pupils had access to enriched PE provision through the delivery of high quality PE lessons by the coaches during the day that were delivered in conjunction with teachers. Through the joint-delivery of PE lessons with qualified coaches, teachers were able to benefit from their subject expertise - resulting in a long-lasting impact on teachers' professional knowledge and understanding. Additionally, extra-curricular sporting activities were provided for pupils at lunchtimes / at the end of the day and groups of pupils were also provided the opportunity to engage in sporting opportunities and competitions at external venues. The overall impact of this initiative was increased engagement and participation in sports to encourage the development of healthy, active lifestyles.</p>

Record of PPSP expenditure by initiative/project for 2021/22			Evaluation
Additional swimming lessons	£11,100.00	<p>Ensures additional opportunity to develop confident and competent swimming across all year groups from Year 2.</p> <p>Partaking in a 2 week intensive course consisting of 10 x 45min lessons to have a long term impact on pupils' swimming ability.</p>	<p>The intensive swimming programme will continue to be built upon in the forthcoming academic year to enable pupils to catch up and keep up with their swimming proficiency - thus combatting the adverse effects of COVID-19 lockdowns for the long term.</p> <p>Due to COVID-19 lockdowns and the closure of swimming facilities, pupils had previously faced disadvantage whereby they were unable to participate in swimming lessons. By increasing the opportunities for pupils to engage in intensive swimming courses, this enabled an increase in pupils' confidence and ability to swim at length across the year groups involved. Although there still remains a gap in pupils' ability to swim longer lengths by the end of KS2, the school's ongoing investment (commitment) towards providing additional swimming lessons over the forthcoming academic year will enable pupils to catch up and keep up with their swimming proficiency.</p>
Total planned expenditure	£21,100.00		
Budget Remaining	£3949.00		

The percentage of pupils within the year 6 cohort for academic year 2021 to 2022 that can do each of the following:

- swim competently, confidently, and proficiently over a distance of at least 25 metres: 48%
- use a range of strokes effectively (for example front crawl, backstroke and breaststroke): 48%
- perform safe self-rescue in different water-based situations: 45%
