Computing

Word processing:

Touch screen game and use iPad/keyboards/mouse.

Presentations, web design and eBook Creation:
Create a simple digital family collage.

Move and resize images with my fingers or mouse.

Video Creation: To know the difference between a photograph and video. Record a short film using the camera of self reading-Read2Me

Augmented Reality and Virtual Reality: Scan a QR code for nursery rhymes and stories .

Word processing:

Describe jobs done by people who help us by dictating short, clear sentences into iPad (Showbie)

Photography and Digital Art:
Take a photograph of Seasonal changes/ shapes and upload into Showbie. Use mark up tool on Photos to explore the paint and brush tools

Photography and Digital Art:

Take a photograph of Church/Mosque. Use SketchesApp to explore the paint and brush tools to draw a place of worship. To use a paint app to draw favourite fruits

Video Creation: To create a video for brushing teeth

Sound: Record sounds with different resources Find ways to change voices to match characters (tube, tincan, shouting to create an echo) Record sounds/voices in storytelling

Presentations, web design and eBook Creation:

Adding media (photo/video) to their butterfly diaries Record voice over a lifecycle picture.

Augmented Reality and Virtual Reality:

Explore a 360 image of butterfly using Hologo Use AR to explore story of Hungry Caterpillar Talk about AR objects in my class

Video Creation: To create a video planting a seed and add voice over to explain steps

Word processing: Create information pages for different vehicles by typing letters with increasing confidence using a keyboard

Data Handling: identify a chart. Take a survey of the type of transport that passes our school. Present simple data on an ipad. Tally chart and pictogram

Animation: Animate an animal to speak in role (Puppetpals/chatterpix) Create a simple animation to tell a story including more than one character.

Sound:

Record sounds/voices in story telling and explanations

Presentations and eBook Creation:

Create a simple digital collage on jobs and people who help. Move and resize images with my fingers or mouse.

Photography and Digital Art:
Use ipad to create artwork in the style of Kandinsky on SketchesApp
